General Experiencing Out Guidelines and Requirements

Experiencing Out Summary:

Students often have experiences outside of the regular school day or year that significantly contribute to their learning. "Experiencing out of a level" allows you to take those out-of-school experiences and receive credit for them. These experiences could include trapping, commercial or subsistence fishing, packing/guiding, carpentry, roustabout, apprentice electrician, plumber, mechanic, welding, community service, any labor for hire, or other experiences you feel would qualify. This is a student initiated process, with the formal documentation of the experience done afterwards, except the log of hours which is done during the experience.

The general process is as follows:

In order to receive credit, the following requirements must be fulfilled by the student:

1. 75 Hours on-the-job for .5 credit, 150 hours for 1 credit; logged and signed by student & supervisor.
2. Documentation: copies of any required licenses plus paystubs, receipts, and/or invoices, furs, fish, or other related materials.
3. Supervisor Evaluation of Experience form, completed and signed by supervisor.
4. Successful completion of portfolio.
5. Successful presentation to community entity.
6. Proficient or Advanced score by teacher of record.
7. Portfolio uploaded to Google Drive folder.

If you're interested in experiencing out of a level, please let your teacher or principal know.
